

# Mira Finance

The Vanguard of Crypto

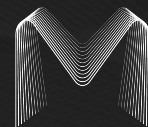

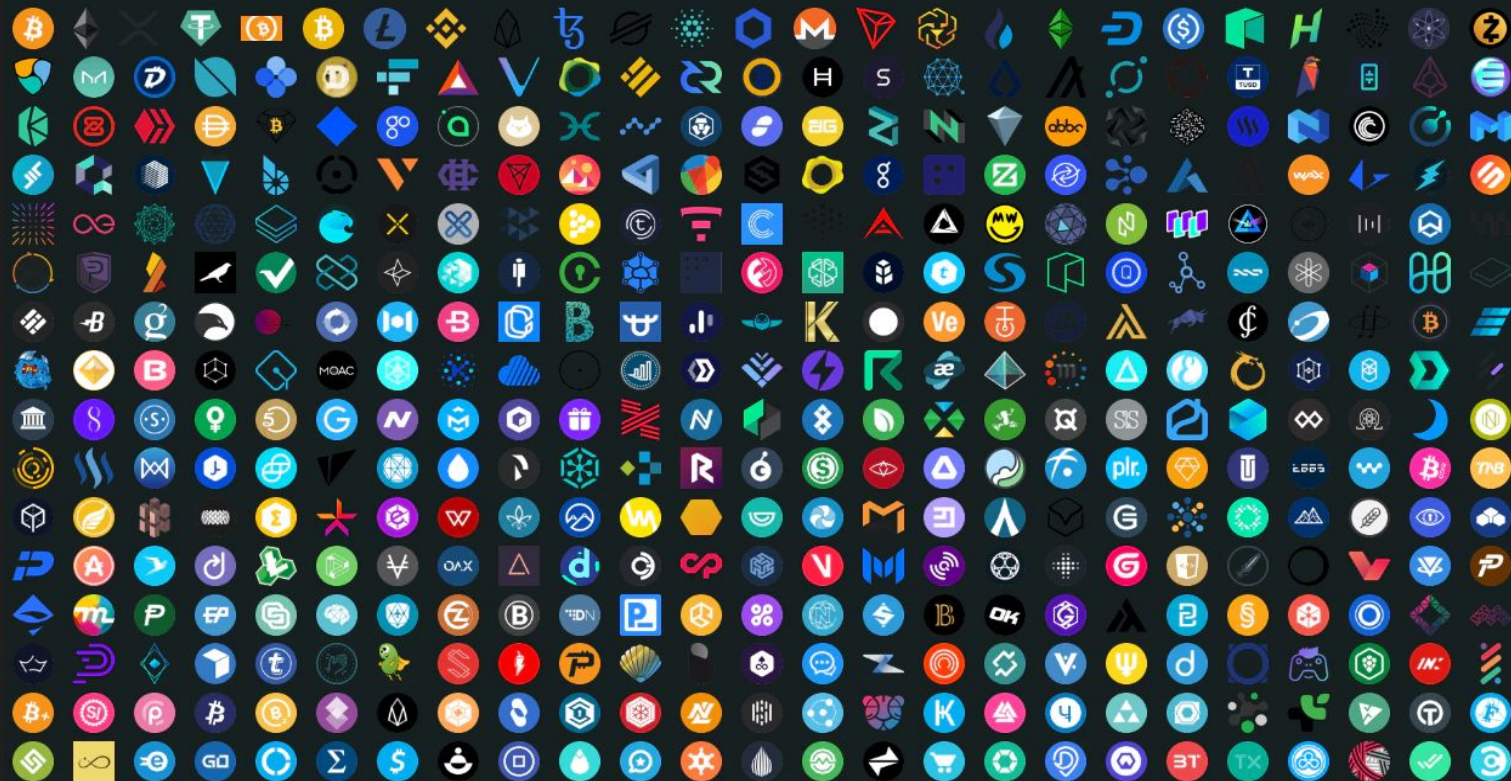

# Investors want crypto exposure.

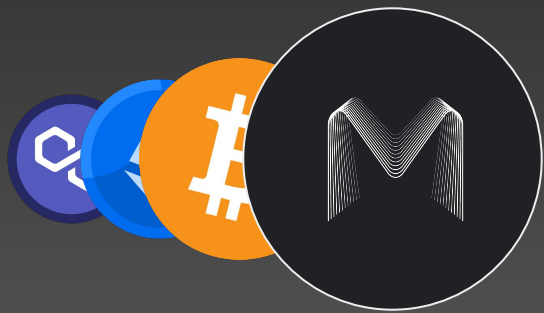

- \$1 trillion market cap even after downturn and FTX
- Institutional Interest at all time high
- Regulation is coming

# But getting started is hard.

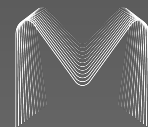

# Enter Mira: Tokenized Index Funds

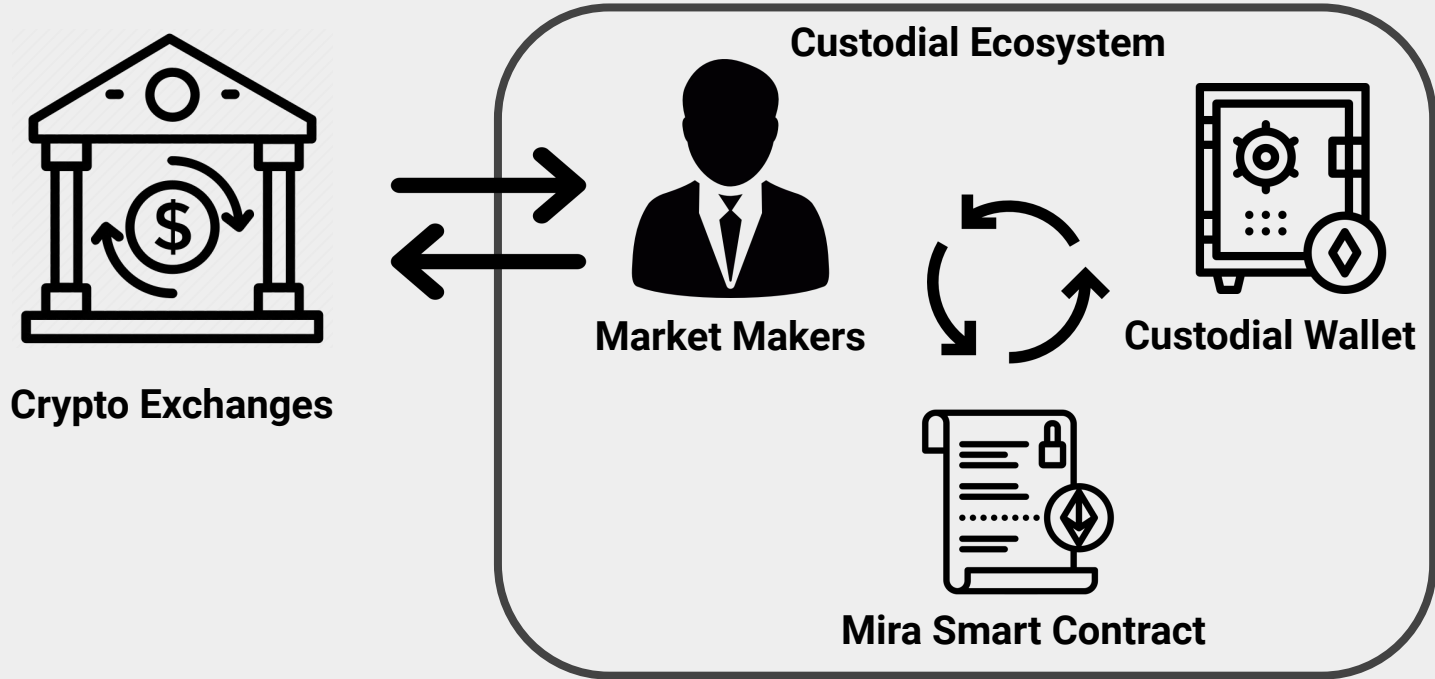

- Capture market growth
- Reduce taxable events
- Invest passively

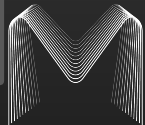

Built on **Custodians** to comply with **Regulations.**

# Work as index-based Stablecoins.

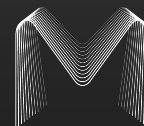

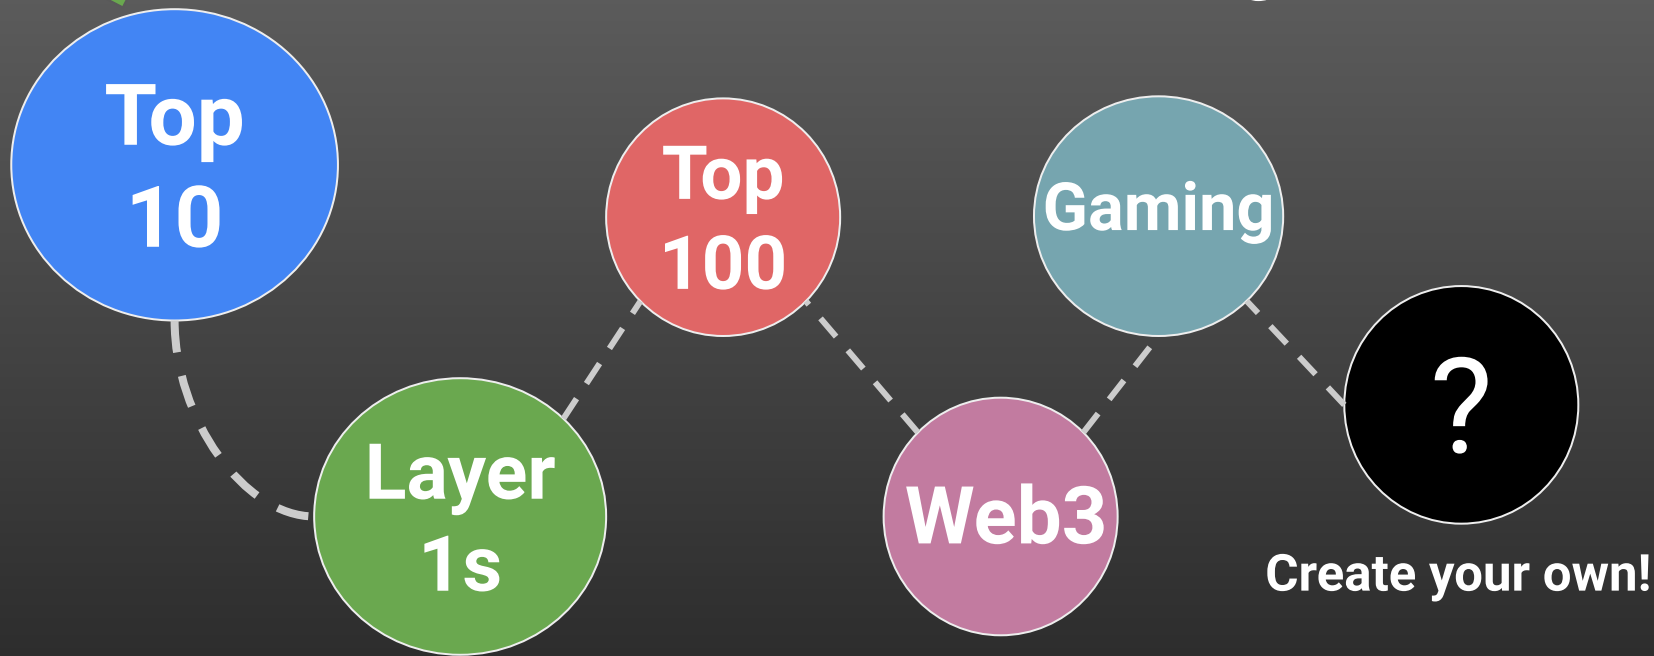

For technical information, view our [White Paper](#).

We are here!

# Mira Index Methodologies.

# Time for Trust.

- Regulated, insured  
Custodians provide liquidity.
- Authorized Broker-Dealers get  
Mira to market
- TRM Labs handles our KYC &  
AML

# Two-Step Launch.

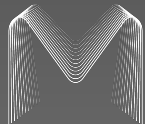

1. International token launch (Europe, Brazil, Vietnam)
2. Domestic compliance and institutional partners

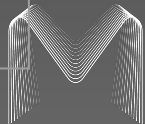

# Competitive Analysis.

Competitor	Cross-chain token	Diversified	Custodian Held Funds
<b>Mira Finance</b>	Yes	Yes	Yes
